Health & Safety Signs
Version 24C FP

Choose the right material for your needs

Self Adhesive

A flexible gloss PVC with a permanent adhesive backing. For a strong bond apply to a smooth and clean interior or exterior surface. This material is best used indoors.

Composite Board

3mm resin core with a white aluminium face this is strong and rigid ideal for external

Rigid Plastic

1mm thick rigid PVC for interior or exterior use. Can be drilled and fixed to a wide range of surfaces.

3mm Foam PVC

Mainly used for double sided signs, durable and lightweight, but can be used for internal or external work

Photoluminescent

Glow in the dark signs ideal for fire exit signs and fire equipment signs. Available in Class B and Class C grades. Class C can glow up to three times brighter

4mm Correx

Fluted corrugated board. Mostly used in for sale signs. Recyclable and lightweight. Ideal for temporary signs

Rigid Plastic with a self adhesive backing.

1mm thick rigid PVC with self adhesive backing for interior use on smooth surfaces.

Traffic Signs Plate Only

3mm resin core with a white aluminium face this is strong and rigid ideal for external or internal use.

Photoluminescent self adhesive

Complete with self-adhesive backing ideal for internal use on smooth surfaces. Available in Class B and Class C grades. Class C can glow up to three times brighter

Traffic Signs with Sign Fix

3mm resin core with a white aluminium face this is strong and rigid ideal for external or internal use.

Choose the correct size sign for viewing distance (approx. max distance)

This is to be used as a guide only.

How to order

- 1 Select the sign you need by choosing the code below the sign e.g MAP.01
- 2 Select the size you need, the sign sizes available are shown under each sign e.g. 450mm x 600mm.
- 3 Select the material required e.g. Rigid plastic

MAP.01B - 450x600
MAP.01B - 300x400

Dog Fouling Signs

Dog fouling Signs

If a dog defecates at any time on designated land, the person in charge of the dog must remove the faeces from the land. The maximum penalty at present is £1000. Some local authorities may choose a lower penalty as they see fit. The signs are available in self adhesive vinyl, rigid plastic or composite board (This material is 3mm thick and has a resin core and an aluminium white face, it is strong and rigid and can be cable tied to posts.

These signs can be made to your own specifications complete with logo and your wording. Please contact our sales team to discuss your requirements.

 No dogs	 Clean it up!	 Clean it up!	 Clean it up!	 Clean it up!	 Keep dogs on leads	This bin is for dog waste only Clean up after your dog

Health & Safety Law Poster

HSE12- 425x600 Laminated

Every workplace is required to display a Health and Safety at Work Law Poster within their workplace. Failure to display Health and Safety at Work Law Poster or to provide the details to employees is an offence under the Health and Safety at Work Act 1974. This is the completely new updated and revised HSE Health and Safety at Work Law Poster, which should replace any of the older (pre 2009) versions.

Abrasion & water resistant
0.4mm plastic

P5001 420mm x 595mm

Health & Safety Posters

High visual posters with step by step instructions for dealing with the most common workplace emergencies.

These posters are printed on abrasion resistant / wipe down plastic with full instructions and ideas for first aiders and non first aider alike.
